

20210808 WISE LIVING OF EXCELLENT PLANTING!

Galatians 6:7-9

⁷ Do not be deceived: God cannot be mocked. A man reaps what he sows.

⁸ Whoever sows to please their flesh, from the flesh will reap destruction; whoever sows to please the Spirit, from the Spirit will reap eternal life.

⁹ Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

Truth: We will reap whatever we sow!

Two purposes of our test

1. Proving us for our next step. It's a time of verifying us of our current spiritual status for our next level of maturity and blessing.

2. For a special sowing. Testing time is the greatest opportunity to show God our faith by sowing the right attitude!

Truth: The seed is already in what we have. That's the secret!

Truth: Difficult time is the best time to sow a good seed for the harvest.

Truth: Ultimate blessing is to know God more and more.

"Now I know that you are a man of God and that the word of the LORD from your mouth is the truth."

Truth: Sowing a good see during a difficult time can make us tired and exhausted.

"Let us not weary in doing good."

Truth: God's blessing of harvest is available to those who don't give up (sowing good seeds even through things get tougher in life).
